# About the Parke County Community Foundation

The Parke County Community Foundation (PCCF) has been working to improve the quality of life in Parke County since 1993, thanks to the generosity of our donors. Donors establish and contribute to endowed funds held at PCCF with a variety of charitable goals in mind. These funds are then invested, and the earnings are returned to the community in the form of grants for nonprofit organizations and scholarships for local students.

## Mission:

**Our mission is simple yet profound:  
To help donors improve the quality  
of life in Parke County.**

## Vision:

**A thriving, inclusive, and resilient  
Parke County for generations to  
come.**

## Our Roles:

- **Gather** – through its endowment approach, the Community Foundation gathers assets for the benefit of our community which are never spent but remain intact forever.
- **Grow** – through a balanced investment portfolio, the Community Foundation grows these assets and creates income to be distributed on an on-going basis.
- **Grant** – these annual earnings are distributed as grants & scholarships throughout the Parke County charitable community.
- **Leadership** – these three primary roles are all housed under the umbrella of an over-all community leadership which influences and enhances the above three roles.
