## How to Apply for Scholarships

### Step 1: Create Your Account

- Visit [Logon - Scholarship Lifecycle Manager](#)
- Create a new account using a **personal email address** and fill in all required fields.

### Step 2: Answer Eligibility Questions (If Applicable)

- Answer the eligibility quiz.
  - o If you are eligible to apply, the application will be shown after completing the eligibility quiz.

### Step 3: Start an Application

- Fill out all required application questions. Be thorough and double-check your answers before submitting.

### Step 4: Submit Before the Deadline

Applications must be submitted by the due date on the application. **Late applications cannot be accepted.**

### Tips for Success

- Start early
- Proofread your responses
- Follow instructions carefully
- Submit all required documents
- Ask questions before the deadline
